

Nominations Form Australian O Scale Awards

It's time to make nominations for this year's Aus7 Modellers Group Inc. Australian O-Scale Award.

Because it is not possible for any one person to know all of Australia's O scalers, nominations are being called from all members of the Aus7 Modeller's Group Inc. The nominee does not need to be a member of the Aus7 Modellers Group Inc.. We want you to nominate recipients for this year's Aus7 Modellers Group Inc. Australian O-Scale Award.

There are only a few simple criteria:

1. The nominee must have made a significant contribution to the promotion of any of the 'O' scales in Australian railway modelling. Some areas of contribution are listed in (4) below.
2. The nominees can be modellers working in standard or narrow gauges, in 7mm or 1/4" scales.
3. Modellers in prototypes other than Australian railways are eligible, but their contribution must have been in the promotion of O Scale in Australia. Promotion of Australian prototype modelling may be a factor in the decision-making.
4. Your nomination can cover the entire range of possible contributions across all possible fields: manufacturing, modelling, organising, retailing, writing, photography, administration (clubs, committees, exhibitions etc), research, publishing, painting, plans etc.
5. You must be prepared to support your nomination with a brief (no more than 50 words) statement of support for your nominee. The award recipients will be chosen from the nominations by Lindsay O'Reilly and Phil Badger, who have been delegated this task by the Executive. Announcements and presentations (where possible) will be made by Lindsay and Phil at the next Annual General Meeting.

Please use the nomination form provided.

Nominations can only be accepted from current members of the Aus7 Modellers Group Inc.. The Awards are an annual event, so there will be opportunities for further awards to be presented in the future.
